DESTINATION OVERVIEW

This safari covers two of the premier parks in Zambia – The South Luangwa and Lower Zambezi plus Malawi’s calendar lake, Lake Malawi. The **Luangwa Valley**, which marks the end of the Great Rift Valley, is one of the last unspoiled wilderness areas and possibly the finest wildlife sanctuary in Africa. The Luangwa River flows into the **Zambezi River** – just below the **Lower Zambezi National Park**. This park, scenically bordered by an impressive escarpment, has excellent game, which can be viewed from either the river or by land. Quietly drifting past a huge elephant feeding is a great experience.

Malawi is a landlocked country, running down the end of the Great Rift Valley. Dominated by Lake Malawi, the third largest lake in Africa, the surrounding country is exceptionally beautiful with dramatic scenery that includes rocky outcrops, high mountains, plateaus and views across what is considered Africa’s most beautiful lake. Malawi is known as the “Warm Heart of Africa” and as a people the Malawians live up to this name. They are extremely friendly and welcoming. There are many market scenes, roadside stalls, cottage industries that a visitor can comfortably visit. With both the scenery and the culture Malawi is a great country to drive in.

Day 1 On arrival at Lusaka International Airport a Robin Pope Safaris representative will meet you and assist you onto your flight to Jeki Airstrip. On arrival, your guide will transfer you to Kujana Camp. The front sliding doors open onto the deck – elevated above the ground giving optimal views. The central dining and bar area is high above the lake with the most spectacular views and leads onto an expansive deck. The infinity swimming pool is on a lower terraced deck.
